>><<

O R D E R:-

In the reference 1st read above, M/s. Mohan Spintex India Limited, Vijayawada has informed that they propose to setup a 3rd manufacturing unit of composite Mega Textiles Project at Ampapuram (V), Bapulapadu (M), Krishna District, Andhra Pradesh with an investment of Rs. 289.20 Crores creating employment to 2,750 skilled and unskilled and 6000 persons indirect employment.

2. In the reference 3rd read above, the State SIPB has discussed the proposal of M/s. Mohan Spintex India Limited, Vijayawada and the Board considered to extend external infrastructure assistance for 132 KV line and SS for an amount upto Rs.6.00 crore from IIDF funds and the assistance will be directly paid to Discom/Transco. Accordingly, Government have issued orders in the reference 4th read above.

3. M/s. Mohan Spintex India Limited, Vijayawada has informed that as per the estimate of APTRANSCO, Vijayawada zonal office, the cost of the following infrastructure work is Rs. 11.53 crore. As of now, APTRANSCO has not taken up the works due to delays in the tendering process, though they are ready for taking trial production by May/June 2016.

(a) Erection work of 132 KV Sub Station in the unit premises
(b) 132 KV DC/SC line from 132 KV Substation at Rangannagudem to the unit located at Remalle Village, Bapulapadu Mandal, Krishna District along with feeder and metering bays.

4. The company has requested the Government to accord permission to take up the execution of 132 KV DC/SC line from 132 KV Substation at Rangannagudem to the unit by themselves under the supervision of the

(P.T.O)

APTRANSCO, as they have already erected machinery and will be ready for trial production by May/June 2016 and any delay will cause a lose to the Company. The APTRANSCO has accorded permission to the Company to execute the work to the extent of 132 KV DC/SC line from 132 KV Substation at Rangannagudem to the unit along with feeder and metering bays on Turnkey basis by paying necessary supervision charges to the APTRANSCO through their approved contactor. The approximate cost of the work is Rs. 3.06 crore. As per the guidelines of APTRASCO, erection of 132 KV Substation in the company premises can be taken up by the company by the permission of CEIG. The cost of which is estimated to be Rs. 8.47 crore.

5. In the reference 5th read above, The Board discussed the proposal in detail and decided to permit the unit to execute the work by themselves under the supervision of APTRANSCO and to reimburse the amount of Rs. 6.00 crore sanctioned under IIDF for external infrastructure assistance for 132 KV line and Sub Station directly to the Company.

6. Government after careful examination of the recommendations of the State Investment Promotion Board, hereby accord permission to execute 132 KV DC/SC line from 132 KV Substation at Rangannagudem to the unit by M/s. Mohan Spintex India Limited under the supervision of APTRANSCO and to reimburse the amount of Rs. 6.00 crore sanctioned under IIDF for external infrastructure assistance for 132 KV line and Sub Station directly to the Company.

7. The Director of Industries, Andhra Pradesh Hyderabad shall take necessary action, accordingly and intimate the status of the progress of work done by the unit from time to time to the Government.
